Did you know that ...

- > ... the SF² project uses a different access badge than the rest of the site? That means you cannot use your normal access badge to enter the SF² site.
- > ... you will receive your SF² badge in the Access Building after fulfilling the entry requirements?
- > ... suppliers do not have to report to the Access Building? They can register at the site.
- > ... only approved PHP (products with hazardous properties) are allowed on the site? You can obtain information and a list of approved products from your DNPP supervisor.
- > ... photography and filming from or on the site is only permitted with the approval of the DNPP supervisor?
- > ... smoking is only allowed in a smoking cabin?
- > ... there is a separate parking area for project staff? You can park close to the site on the designated parking area. Parking on the road is not allowed.
